

MISSION

The Alabama Board of Physical Therapy exists to protect the public through the regulation of the practice of physical therapy.

The Board accomplishes its mission by performing a variety of different functions including:

- ◆ Verifying the academic credentials and competencies of applicants for licensure
- ◆ Assuring the continued competencies of licensees applying for license renewal through a system of continuing education
- ◆ Acting as a resource to the public and to licensees on questions of legal practice
- ◆ Receiving and adjudicating complaints against licensees. Instructions for filing a complaint against a PT or PTA can be found on the board's website at www.pt.alabama.gov by selecting Forms and then selecting the link to Complaint Form.

ALABAMA BOARD OF PHYSICAL THERAPY

Regulation Information

Regulation is intended to...

- ◆ Ensure that the public is protected from unscrupulous, incompetent and unethical practitioners
- ◆ Offer some assurance to the public that the regulated individual is competent to provide certain services in a safe and effective manner.
- ◆ Provide a means by which an individual who fails to comply with the profession's standards can be disciplined, including the revocation of their license.
- ◆ Serving as a resource to the public and to licensees on questions of legal practice.

About the Board

Members of the Board are appointed by the governor for 5 year terms.

Board Composition:

- ◆ Four members are physical therapists
- ◆ Two members are physical therapist assistants
- ◆ One member is not a licensee and serves as a consumer representative
- ◆ *Meetings of the Board are open to the public—Dates, times, and locations published on the website.*
