I. Security Information

Passing the Alabama Jurisprudence Examination is required in order to receive your license to practice as a physical therapist, or physical therapist assistant. The Alabama Board of Physical Therapy (Board) requires ALL applicants for licensure to pass the Jurisprudence Examination in order to demonstrate minimal understanding of the statutes and administrative code that governs the practice of physical therapy in Alabama. Requiring a passing score on the Jurisprudence Examination is one assurance that anyone granted physical therapist or physical therapist assistant licensure in Alabama possesses the necessary knowledge to treat patients with skill and safety.

Understandably, you will want to take advantage of all available resources when preparing for this important examination. While a student, you may have considered fellow students to be good resources for learning about questions that were on examinations. However, according to Alabama Rule 700-X-2.02 of the State of Alabama Board of Physical Therapy Administrative Code and Section 34-24-217(4) of the Alabama Physical Therapy Practice Act, **it is illegal and unethical to recall (memorize) and share questions that are on the examination or to solicit questions that are on the Jurisprudence Examination from other applicants who have taken the exam.**

What Do You Mean by “It's Illegal to Recall Questions”?

Each candidate who sits for the Jurisprudence Exam must accept the Security Agreement. The Security Agreement states that the exam and items contained therein are owned by the Alabama Board of Physical Therapy and the Federation of State Boards of Physical Therapy and protected by Federal Copyright Law.

It also informs applicants that no part of the examination may be copied or reproduced in part or whole by any means whatsoever, including memorization.

Recalling questions from the examination and sharing them with anyone else violates both the Federal Copyright Law and the FSBPT Security Agreement that applicants must accept before taking the Alabama Jurisprudence Examination.

ITEMS FROM THE EXAM ARE NOT TO BE RECALLED FOR ANY PURPOSE.

Why is it Unethical to Ask Someone Else for Recalled Questions?

Soliciting recalled questions from applicants who have previously taken the examination is unethical for several reasons. The primary reason is obvious; you are expected to pass the test based on your own merit without assistance. The members of the public who will entrust you with their well-being expect that you are a trustworthy and competent individual.

You are encouraging applicants to commit illegal acts if you are soliciting questions from previous test takers who have accepted the FSBPT Security Agreement.

ITEMS FROM THE EXAM ARE NOT TO BE SOLICITED FOR ANY PURPOSE.

What Happens If I Do Share or Solicit Recalled Questions?

- The Federation of State Boards of Physical Therapy will continue to actively prosecute individuals who violate the security agreement.
- The Federation will also report any incidents of applicants requesting questions or sharing questions to the Alabama Board of Physical Therapy.
- Applicants who are prosecuted by the Federation or who are reported to the Alabama Board of Physical Therapy for soliciting or sharing questions will severely damage their chances of being licensed pursuant to Rule 700-X-2-.02.

Pre-test Items

The examination will contain 10 "pre-test" questions. The purpose of including pre-test questions on the examination is to expand and improve the bank of questions from which future examinations will be drawn. This is a common practice used by many national and state examination programs and is a critical step in ensuring the continued reliability and validity of an examination. Pre-test questions are **NOT** identified so that they won't be skipped by the candidate thereby rendering the results invalid. The development of a valid examination requires accurate candidate response information for the pre-test questions.

III. Scoring Information and Notification

Passing Grade and Results

After the administration of the examination, your examination will be scored by the FSBPT. The results will then be transmitted to the Alabama Board of Physical Therapy. The Board office will notify you of your results. A scaled score of 600 is required in order to pass the examination.

Re-Examination Information

An applicant who fails to achieve the required passing score on the Jurisprudence Examination shall be required to be re-examined by completing the scheduling of the examination process, as previously outlined on page 2, and submitting the same fees.

Test-Taking Advice

The advice offered here is presented primarily to help you demonstrate your knowledge and maximize your chances of passing the examination.

- Read all instructions carefully.
- Before selecting the correct answer, read all options carefully.
- You should answer all questions; do not omit an answer for any test question.
- For best results, pace yourself by periodically checking your progress and the time. This will allow you to make any necessary adjustments. Remember, the more questions you answer, the better your chances of achieving a passing score, so you should select an answer for every question.
- Alert the examination supervisor of any problems that may occur during the examination. Do not wait until the examination is over to inform someone of a problem.
- Be sure to select an answer for each question, even the questions about which you are not completely sure. You can skip the questions you wish to reconsider and return to them later.

IV. Admission to the Examination:

Supplies and What to Bring

You must arrive 30 minutes prior to your scheduled appointment with two forms of acceptable identification. Acceptable identification is:

- 1) A currently valid, military or government-issued photo ID (passport, driver's license, etc.) with pre-printed name and signature
- 2) A currently valid, pre-printed identification with your name and your signature such as a credit card or check cashing card.

You will have to be checked in before taking the examination (i.e., sign in and present the appropriate identification). Once at the Prometric testing center, you will be thumb-printed and photographed at the center. All testing sessions are videotaped. On both forms of ID your signature must match your pre-printed name. Your first and last name on both forms of ID must exactly match the first and last name on your ATT letter issued by FSBPT. A Social Security card is not an acceptable form of identification.

What Not to Bring

Unauthorized supplies, including those not listed below, will be subject to removal by the examination supervisor at the examination site. The following items are **NOT** allowed in an examination room:

1. Purses, briefcases, portfolios, fanny packs or backpacks;
2. Cameras, tape recorders, calculators or computers;
3. Cellular phones, pagers, electronic transmitting devices or telephones;
4. Any bound or loose-leaf reference materials, notes, or books;
5. Dictionary, thesaurus, or other spelling aids;
6. Canisters of mace, pepper spray or other personal defense items;
7. Coats or jackets;

8. Food or beverages.

Watches with alarms must be disabled during the examination administration.

Appropriate Attire

Please dress comfortably but appropriately for the examination. The examination room is usually climate controlled. However, it is not always possible to maintain a temperature suitable to each candidate. It is suggested that you dress in layers that can be removed if you become uncomfortable. For security reasons, Prometric does not allow bulky jackets to be worn.

V. Administrative Policies

Rules For The Examination

1. No examination materials, documents, or memoranda of any kind are to be taken from an examination room.
2. Computer knowledge is not required to take a computerized examination. Before the examination begins, a simple introductory lesson (tutorial) is presented that explains the process of selecting answers and moving from question to question. The time you spend on the tutorial does not count against the time allotted for the examination. You may select your answers using either the keyboard or the mouse. You are strongly encouraged to take the tutorial prior to taking the examination.
3. You should alert Prometric staff immediately to disruptions occurring within the testing room or computer malfunctions while taking the examination.
4. You are permitted to sign out and leave the room for a break. However, the time remaining on your examination will continue to elapse. This means any time you spend on a break is time that you are electing not to spend on the examination.
5. Do not bring food or drink into an examination room.

If you have a change of address, you must submit it in writing to the Alabama Board of Physical Therapy within 30 days from the change. You may submit that information using any of the Board office contact information listed below.
