

# COVID-19 VACCINE PROVIDER INFORMATION

## Alabama Board of Physical Therapy

Physical Therapists are included in Alabama’s Phase 1 Allocation Plan. Physical therapists and physical therapist assistants are frontline health workers in hospitals, nursing homes, in-home and other healthcare settings providing services with a risk of exposure to fluids and aerosols. For more information, review the [Alabama Public Health’s COVID-19 Vaccination Allocation Plan](#) and find more information on the [Alabama Department of Public Health’s COVID-19 Vaccine](#) webpage.
