

Greetings Licensees:

We are excited to let you know of some new developments involving the Alabama Board of Physical Therapy:

- The Board has a new website - [www.pt.alabama.gov](http://www.pt.alabama.gov). Please check it out!
- The Alabama Board of Physical Therapy is now an active member state in the **Physical Therapy Compact**. Licensees whose home state of residence is Alabama are now eligible to apply through the Compact Commission for a Compact Privilege in other member states.
- Compact Privileges allow privilege holders the ability to practice physical therapy in other states participating in the Compact (remote state) without having to go through the process of getting licensed in each member state where they do not reside.
  - To see if you are eligible, visit [www.ptcompact.org](http://www.ptcompact.org) and select “**IS A COMPACT PRIVILEGE RIGHT FOR ME?**”
- **Effective 10/07/2024**, all applicants for licensure (new graduates and endorsements) must pass an **Alabama Physical Therapy jurisprudence examination (AL JAM)** required by Ala. Code §34-24-212 (1975). The AL JAM is provided by the FSBPT.
  - Applicants are required to answer 80% of the questions correctly to pass the AL JAM.
  - The FSBPT fee for the AL JAM is \$48.00.
  - Please visit our website for more information.

Please feel free email us at [info@pt.alabama.gov](mailto:info@pt.alabama.gov) if you have any questions or need further information.

Kathy Miller  
Executive Director  
Alabama Board of Physical Therapy  
100 North Union Street, Suite 724  
Montgomery, AL. 36130-5040
