

PT/PTA License Renewals are due before Midnight on September 30, 2025!

Important Reminders:

2 Hours of **AL Jurisprudence Continuing Education** must be submitted with your 2025 Renewal.

The AL JAM or a general ethics course cannot be substituted for AL JP Continuing Education.

- * The required 2 hours JP count toward your annual CE requirement total.

We strongly recommend renewing early to avoid any technical issues.

- * If you received your license in 2025, this reminder does not apply to you.
- * If you have already renewed, this reminder doesn't apply to you.
- * If you were licensed **by exam** in 2024, 2 hours of AL Jurisprudence CE is the only CE you need to submit.
