Notice of the meeting was posted on the Secretary of State's website, www.sos.alabama.gov, and the Board's website, www.pt.alabama.gov, in accordance with the Alabama Open Meetings Act.

I. Call to Order: The meeting was called to order by Chair T-Michael Dougherty at 9:00 am. Board Members present were T-Michael Dougherty, Robin Irwin, Margaret Hemm, Robert Fleming, Dhrumil Patel, and Dana Daniel Blake. Member not present was Zach Nelson. Also present were J. II. Open Discussion: Dana Daniel Blake requested to add temporary licenses as an agenda item under new business. Robin Irwin requested that the Board review the website of a massage/bodywork business to see if the business was in fact performing PT services. Chair T-Michael Dougherty had previously reviewed the website and determined that it was not in violation of the Practice Act but agreed that Robin Irwin and Robert Fleming should feel free review the website in greater detail.

III. Minutes: The minutes from the September 12, 2025 meeting were reviewed. Margaret Hemm recommended a revision to the Violations Committee Report section to correct a typographical error and to clarify some of the language. A motion to accept the minutes with revision from the September 12, 2025 meeting was made by Margaret Hemm and seconded by Dhrumil Patel. Robin Irwin, Margaret Hemm, Robert Fleming, T-Michael Dougherty, and Dhrumil Patel voted in favor, and none were opposed. Dana Daniel Blake abstained. The minutes from the September 12, 2025 meeting were approved as revised.

IV. Reports:

Matt Blesoe on behalf of the Violations Committee. 2025-07, 2025-08, 2025-09, 2025-10, 2025-11, 2025-12 were presented and a recommendation of no probable cause was made in all cases. 2025-13 was presented as a licensee who worked with an expired license. The licensee has signed a consent order and paid the \$100.00 fine. A recommendation to accept the consent order and fine was made by the Violations Committee. Robin Irwin moved that the recommendations of the VC be approved, and Robert Fleming seconded the motion. Robin Irwin, Dana Daniel Blake, Dhrumil Patel, and Robert Fleming voted in favor. None were opposed. The motion passed. T-Michael Dougherty and Margaret Hemm abstained from voting.

V. Unfinished Business:

A. Direct Access: J. Matt Bledsoe discussed potential solutions to the Direct Access issue which prevents Bachelor trained PTs from offering Direct Access. J. Matt Bledsoe will continue to work with the Medical Association to draft legislation that would be acceptable to the Medical Association. He will share a draft of the legislation in December, and the Board will discuss the matter further in the January meeting.

B. Scholarship Opportunities: Tabled to 2027 but will remain on future agendas as unfinished business.

VI. New Business: T-Michael Dougherty discussed the Board potentially lowering the current continuing education time requirement of 50 minutes to 15 minutes to allow for greater learning opportunities for licensees. The Board agreed that this would be acceptable and the Administrative Code that governs the continuing education requirements should be revised.

Dana Daniel Blake raised concerns about the language contained in the temporary license supervisory agreement form as it is ambiguous and confusing. The Board agreed and Executive Assistant Angela Warr was tasked with revising the form and updating the website with the revised form. Dana Daniel Blake asked for a draft of the document to be sent to her.

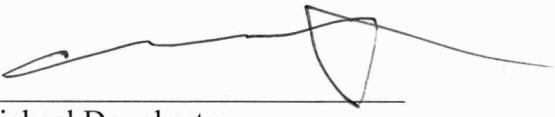

Officer elections were held. A blanket nomination for T-Michael Dougherty to remain as Chair, Dhrumil Patel to be elected as Secretary, and Dana Daniel Blake to remain as Treasurer was made by Margaret Hemm and seconded by Robin Irwin. Robin Irwin, Margaret Hemm, Robert Fleming, T-Michael Dougherty, Dana Daniel Blake, and Dhrumil Patel voted in favor, and none were opposed. The motion passed unanimously.

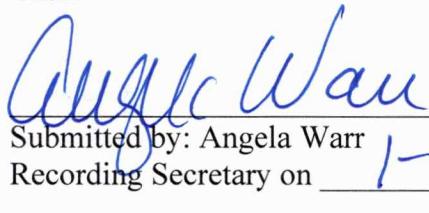

Robert Fleming left the meeting at 10:51 am.

Violations Committee Recommendations

2025-07 – PT – Patient alleges PT was rude, called her a puppy, and aggressively confronted her when she tried to leave. PT denies all allegations and has submitted a lengthy response along with supporting documentation. VC recommends a finding of no probable cause.

2025-08 – PT

2025-09 – PT

2025-10 – PTA

2025-11 – PTA

Complainant alleges that the above PTs allow PTAs to perform evaluations, and that the PTs continue to see Medicare patients long past necessity. All respondents denied the allegations and say that complainant is just angry because she was fired for stealing money (using company credit card to pay her rent), unreliability, and poor job performance. VC recommends a finding of no probable cause on all cases.

2025-12 – PTA – Complainant alleges that PTA is using a V2K (voice to skull) device to torture her and has caused her to be hospitalized 10 times over the last 9 years. She offered no evidence. PTA denies allegations and says that he only had a few brief interactions with her in 2018 through a friend who worked with her. For reasons unknown to PTA, she posted statements on social media encouraging harm against him. He is concerned for his own personal safety due to her behavior. VC recommends a finding of no probable cause.

2025-13 – PTA – worked with expired license on a PRN basis from October 1, 2025, through October 17, 2025. She has signed a Consent Order and paid a \$100.00 fine. VC recommends acceptance of Consent Order.

Gentlemen/Ladies: There are no current changes at this time.

All our folks being monitored were fully compliant with all conditions.

D18-06 AND D18-08 have completed but remain in our program for third party reasons.

2021-02 – compliant
2023-01 – compliant
2023-02 – compliant
2023-03 – compliant
2023-04 – compliant
2023-05 – compliant
2023-06 – compliant
2025-01 – Has finished treatment, signed his order and contract and is being monitored

We are working with a PTA whose license is currently suspended. He was in treatment at Bradford (Warrior). He finished treatment at Bradford and went to a halfway house and reports were that he was doing well. He began fighting to leave halfway house against medical advice. We explained to him how much he will lose if he did so. He is currently in the a Three Quarter house, doing well, and should be out within the next 3 weeks.

PTA applicant is in the process of having an evaluation secondary to two separate incidents that are concerning to us. We are assisting her at this time.

Thanks to all who make this program happen!

Mike Garver
