

WELLNESS/IMPAIRED PRACTITIONER PROGRAM

The Board of Physical Therapy is dedicated to keeping the citizens of Alabama safe.

As part of this commitment, we are proud to offer our Wellness Program (Impaired Practitioner) to those licensees who may be struggling with addiction of any kind, mental health issues, or any other issues that may impede a licensee from safely performing their duties as a PT or PTA.

If you or someone you know is experiencing difficulties due to substance/alcohol abuse, addiction of any kind, or mental health issues, we are here to help!

Self-reporting ensures that your participation in the Wellness Program is anonymous and you may be able to continue practicing while in the program.

The Program is designed to promote early identification, intervention, and rehabilitation.

Please contact Dr. Michael Garver, DMD, our Wellness Coordinator, to self-report at (251) 605-2883 or mcg1309@gmail.com

Or you may contact our Executive Director to self-report at (334) 242-4064 or kathy.miller1@pt.alabama.gov

This is your chance to:

- Recover
- Regain Control
- Retain Licensure
